GMT four temperaments wikipedia pdf - The four temperament theory is a proto-psychological theory which suggests that there are four fundamental personality types: sanguine, choleric, melancholic, and phlegmatic. Four temperaments - Wikipedia - Humorism, or humoralism, was a system of medicine detailing the makeup and workings of the human body, adopted by Ancient Greek and Roman physicians and philosophers, positing that an excess or deficiency of any of four distinct bodily fluids in a personâ€™ known as humors or humoursâ€™ directly influences their temperament and health. Humorism - Wikipedia -
