

The Metaphysics Of Experience A The Metaphysics of Experience styles itself as "a Sherpa guide to Process and Reality, whose function is to assist the serious reader in grasping the meaning of the text and to prevent falls into misinterpretation." Although originally published in 1925, Process and Reality has perhaps even more relevance to the contemporary scene in physics, biology, psychology, and the social sciences than it had in the mid-twenties. Hence its internal difficulty, its quasi-inaccessibility, is all the more ...The Metaphysics of Experience: A Companion to Whitehead's ... The metaphysics of experience is about all the sensitive experiences - the aesthetic, religious, and metaphysic experiences - that open the mind and give food for beautiful thought. It is about the transgressive experiences we all have but often ignore or reject as irrational, and what it takes to treat such experiences philosophically in ways that are loyal and thus poetic, but also critical and thought provoking.Metaphysics of Experience | Philosophy | dorthejoergensen Buy The Metaphysics of Experience: Companion to Whitehead's Process and Reality Illustrated edition by Elizabeth M.
